

2022 SPONSORSHIP OPPORTUNITIES

Thank you for supporting our sponsorship efforts. Our goal is to secure enough sponsorships to cover all of the auction expenses. Your participation can help us to reach this goal! Auction sponsorship donations are a great tax write-off for both individuals and businesses, as well as great advertising opportunities.

All sponsorships include name recognition with a link to your website on our Auction website, social media posts, in the Parish bulletin before and after the event, and in person at the event on June 4th, 2022.
